

# Digital Storytelling

Media That Matters

Joe Lambert, StoryCenter

ALL DIGITAL Summit

Brussels, Oct. 18, 2018

A photograph of a city skyline at sunset. The sky is a mix of orange, yellow, and purple. In the foreground, there are silhouettes of buildings, trees, and a crane. The text "What Matters?" is written in large, white, sans-serif font across the center of the image.

[My Name, His Identity by Tasnia Khandaker](#)

From One Story At A Time Workshop, Kalkutha, India, April 2018

“What is the one thing you have lost, that you wish you could have back?  
A person, a place, an object, a time, a part of ourselves, a feeling.  
And why do you want it back?”

# StoryCenter

StoryCenter is a Berkeley-based international non-profit working in digital storytelling and storywork. In the 1990s they developed the Digital Storytelling Workshop as a participatory media methodology. [MORE](#)
